HOME

We Have it All

Why Choose mightyHOME?

mightyHOME is as simple as A, B, C... It is the brain embedded in the most important aspect of our lives - our Homes. We spend a lifetime to decorate our homes with the best of things only to miss energy efficient, seamless and hassle - free technology. We, at mightyHOME help you get access to the best of Home Automation Technology, in a budget.

Our Features

“Quickest” Response of the system does not delay any of your appliance activity.

Two - way feedback enables in-App updates of all appliances, *even of a fan regulator!*

Syncs with physical Switches
(Normal Operation of switch is left unchanged)

Customize the world around you as per your moods!

Dedicated & Simplest UI of App makes it easy-to-use for anyone & everyone.

How are we different?

No Humming

Quality control & best components make our product eliminate the slightest of ticks & buzzes!

No Rewiring

A back - end board that fits behind the switch boards and your home is turned into a mightyHOME!

Notifications' Area Access of App

World's first of its kind, notification area access of the App

Affordable

Energy - Efficient

24x7 Support

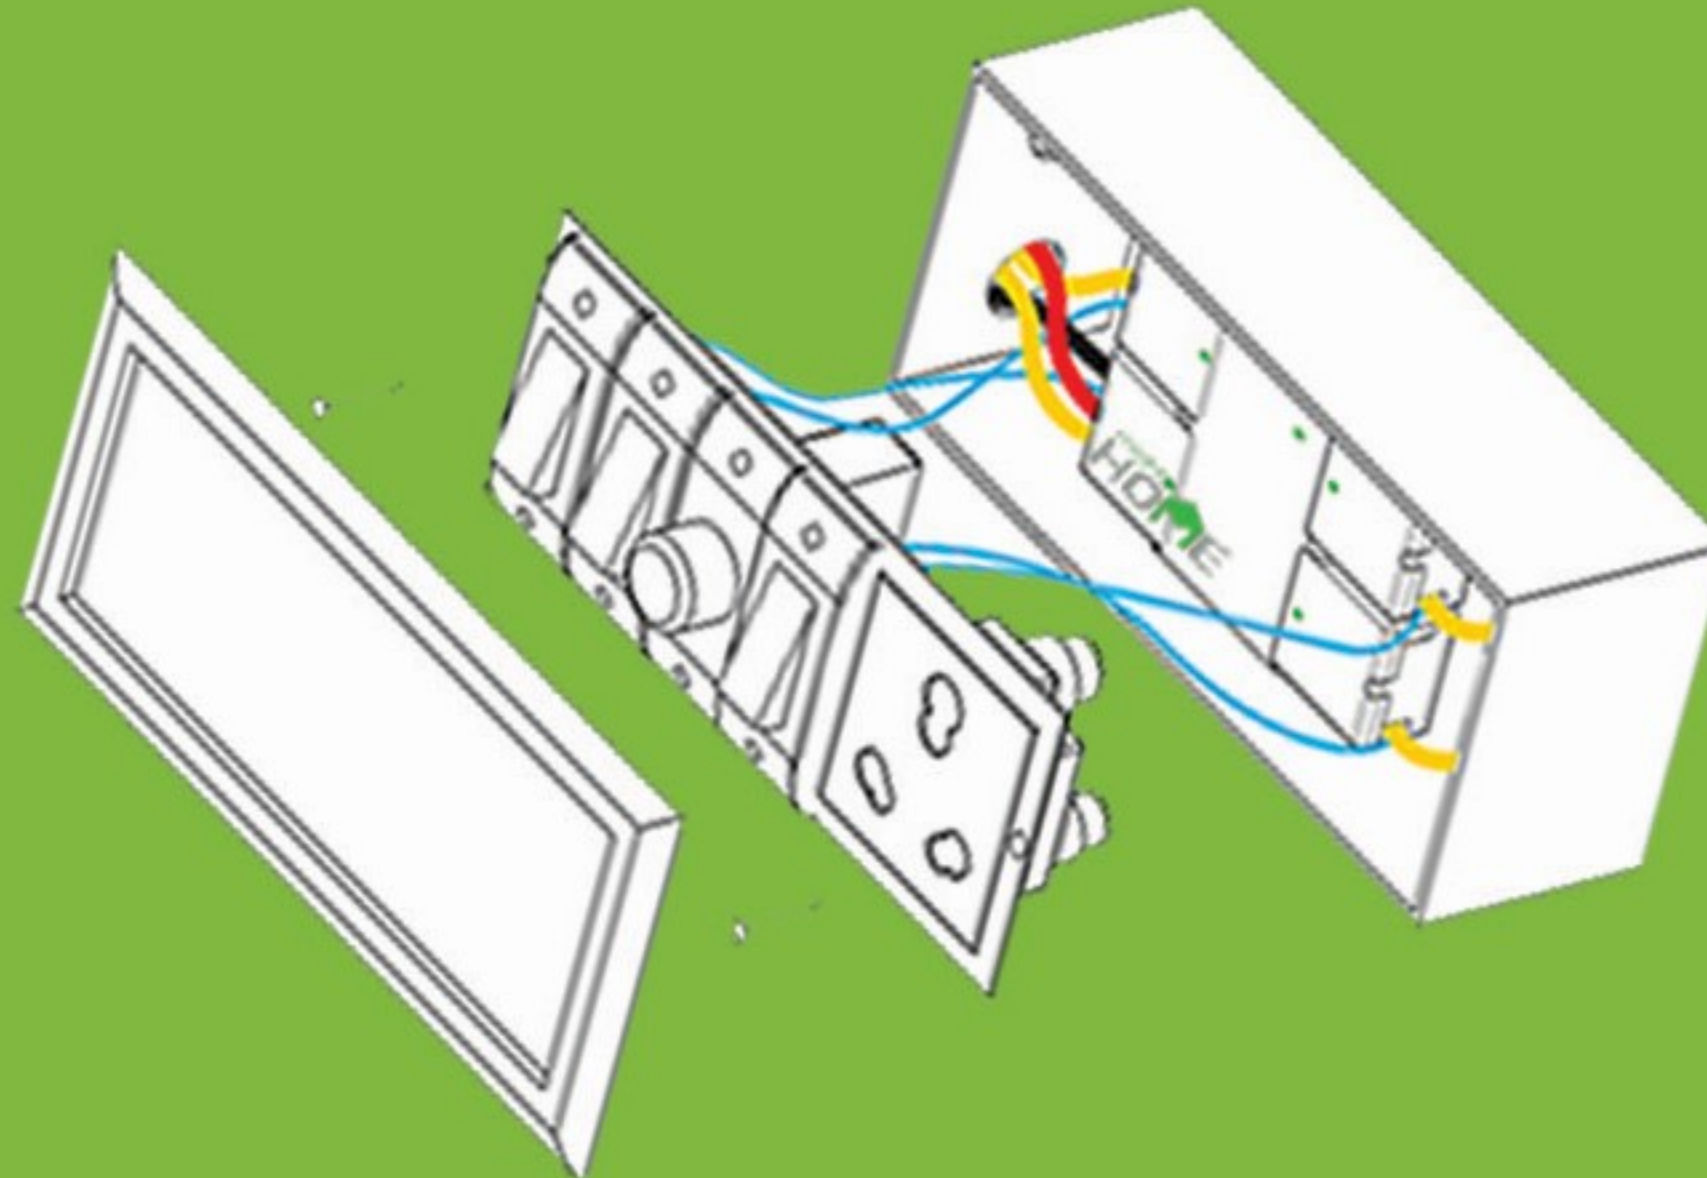

Trustworthy Service
